

TOWNSHIP OF BYRAM BOARD OF EDUCATION  
12 Mansfield Drive - Stanhope, New Jersey 07874

September 10, 2010

Dear Parents/Guardians:

The Byram Township School District will be **GOING GREEN**. We will not be sending out hard copies of memos from the Superintendent's office. Every Friday, please check the website under the section "SCHOOL MEMOS" for the latest memo. During the school year if there is an emergency notice that needs to go out we will send it out in hard copy and also place it on the website.

During the beginning of the school year several notices will go out in hard copy that either have necessary envelope attachments or need to have forms returned to school.

If you do not have access to the Internet you can have the option of having hard copies sent home with your child. Please complete the form below with the names and grade levels of your child/children and we will make sure that the memos go home with one of them.

Sincerely,

Gayle Strauss, Ph.D.  
Superintendent

GS/grb
